

Policy Benchmarking

Most insurance policies are never reviewed and, if at all, are only seen during the annual renewal process. This creates a number of organizational blind spots and coverage gaps that can lead to large, uninsured losses. Risk Cooperative offers a policy review and benchmarking service to help identify blind spots, coverage gaps and provide coverage improvements.

Policy Benchmarking

Property and Casualty

Risk Cooperative can originate and place a full spectrum of property and casualty insurance solutions with global markets.

Specialty Lines

Our expertise in placing specialty lines coverage, such as kidnap and ransom, cyber risk and political risk among others is unrivalled.

Life and Health

Risk Cooperative can originate and place a full spectrum of life and health insurance solutions with global markets.

Comprehensive Benefits

Risk Cooperative assists customers in finding cost effective and complete benefit plans globally, while helping to navigate the evolving complex legal and regulatory changes.

Comparative analysis across all lines of insurance
