

## ABOUT US

**Risk Cooperative** is an independent and certified minority-owned insurance brokerage and risk advisory firm. Licensed in all 50 states, D.C., and Puerto Rico, our firm helps clients across the full spectrum of risk—from employee benefits to specialty lines. Our team of industry professionals specializes in helping businesses across industry verticals to build operational resiliency and mitigate risk. Appointed with all major carriers and the Lloyd's of London market, we place domestic and international insurance solutions to help meet clients' needs.

## CORE CAPABILITIES

### INSURANCE BROKERAGE SERVICES

Our team is comprised of seasoned, certified risk managers and licensed insurance professionals with extensive experience helping organizations access the best insurance solutions for their needs. When required, we can also design bespoke solutions to address clients' unique challenges. We work closely with clients around the globe to address issues from employee benefits and business insurance, to complex and emerging risks.

- Group Health and Life Insurance
- Ancillary Benefits
- Defense Base Act (DBA) Insurance
- International Insurance
- Cyber Insurance
- Property and Casualty Insurance
- War and Terrorism Insurance
- Business and Corporate Insurance
- Specialty Lines, such as Supply Chain, Trade and Credit, Political Risk, and Cargo

### RISK MANAGEMENT CONSULTING

Our risk advisory practice helps organizations manage risk in an increasingly complex and uncertain environment. We enable businesses to proactively manage a wide range of insurable and non-insurable risks. We consider every facet of a client's business, financial resiliency and overall strategic objectives, then customize our approach to match their needs.

- Enterprise Risk Management (ERM)
- Cybersecurity Risk Advisory
- Risk Assessments
- Crisis Management
- Risk Mapping and Benchmarking
- Business Resiliency
- Customized Engagements
- Bespoke Program Design
