

INSURANCE SOLUTIONS

PRIVATE CLIENT

The lines between risk and reward have blurred, as have the lines between private wealth and enterprise/portfolio value. Our private client experience brings a comprehensive advisory, risk management and risk transfer capability to high net worth individuals. We provide a cost effective approach to reduce uncertainty across personal risks, tangible and intangible assets, reputational harm, privacy, as well as wealth preservation and succession.

**Key Coverages**

Offering integrated, concierge-style risk advisory, insurance and risk-transfer across all asset classes, our Private Client Practice provides peace of mind worldwide to thousands of discerning risk-aware individuals.

Specialty Risks

Risk Cooperative can quote and place a large array of specialty lines insurance solutions. Customers need solutions that follow their interests worldwide and Risk Cooperative can help.

Executive & Financial

Risk Cooperative works with organizations and management teams to provide robust solutions to address the evolving regulatory and business environment.

Property Coverage

We work with clients to provide insurance across all their property and casualty needs, aiding with origination, quoting and placement of property and casualty insurance solutions.

Life & Health

Risk Cooperative understands that a key coverage component for any business involves life and health insurance programs, helping organizations to safeguard their employees anywhere in the world.

Cyber Insurance

Beyond personal data are other digital assets and exposures for nonprofit organizations reliant on donor lists and website donations. It's equally important is to assess and account for potential reputational issues that can arise from a cyber breach and account for their economic impact.
