

Education

Risk. Readiness. Resilience.

TUITION PROTECTION

Risk Cooperative offers an innovative tuition protection solution for both individuals and institutions. Personal tuition protection provides students with the resources to complete their educational careers in the event of a covered loss of payment ability. At the institutional level, universities can leverage tuition protection to recruit and retain students from both the United States and abroad.

We approach risk with integrated insurance, advisory and educational capabilities. Via our consultative engagement model, we provide institutions with a suite of customized risk transfer and insurance solutions.

Our tuition protection offerings fall under the comprehensive solutions practice area with products from our insurance category.
