

RISK COOPERATIVE ENGAGEMENT MODEL

Moving risk from a cost of doing business to a catalyst for growth, Risk Cooperative offers 3 engagement models based on organizational size and complexity. All engagement approaches are designed to address insurable risks, including employee benefits, property and casualty as well as specialty programs globally. Our innovative approach breaks away from the transactional brokerage model making Risk Cooperative an integrated consultant actively managing enterprise risk.

	OPEN MARKET PLACEMENTS	PROFESSIONAL	ENTERPRISE	
Organization Size	Any	Small to mid-sized enterprises (SMEs)	Large complex enterprises	
BROKERAGE	Evaluation of existing insurance programs	■	■	■
